

# Dance The Way I Feel

## Ou Est Le Swimming Pool

We wasted so many truths  
That we depend  
On getting by  
Another lie  
On every other thing that dies  
And as his voice beckons out  
I hear the end  
The end of trauma slowly setting in  
My body seems to stop and freeze  
Stop  
Well I just dance the way I feel  
Stop breathing  
Imagine none of this is real  
Imagine none of this is real  
Well I just dance the way I feel  
Well I just dance the way I feel  
Well I just dance the way I feel  
A simple crowd makes a movement on my space  
I'm lashing out  
I'm crashing down  
On all the people in my way  
I'm banning all of these ??? from this place  
This place is ruined been affected  
After all the time I paid  
Stop  
Well I just dance the way I feel  
Stop breathing  
Imagine none of this is real  
Imagine none of this is real  
Well I just dance the way I feel  
Stop  
Well I just dance the way I feel  
Stop  
Well I just dance the way I feel  
Moving on to someone else  
You're always open with yourself  
But no one  
I talk to no one  
Always falling short of help

I choose to take this by myself  
And go  
And I just go  
Stop  
Well I just dance the way I feel  
Stop breathing  
Imagine none of this real  
Imagine none of this real  
Well I just dance the way I feel  
Stop  
Stop  
[Repeat x10]  
Well I just dance the way I feel
