Rory Rides Me Raw

The Vaselines

(Eugene)
Galloping through the morning dew,
There's only one thing I that I want to do to you--
And it's true, that I'm gonna to do it soon.
Galloping through the morning dew,
There's only one thing I that I want to do to you--
And it's true, that I'm gonna to do it soon.
(chorus: Frances and Eugene)
Rory, Rory
Ride me, Rory
Rory, Rory
Ride me Rory
Rory! Ride me slowly
Ride me raw, raw, raw.
(Eugene)
Galloping through the morning dew,
There's only one thing I that I want to do to you--
And it's true, that I'm gonna to do it soon.
Stride on your back,
Rocking to ride,
I got the feelin' we're gonna gallop alright,
And it's true, that I'm gonna do it soon.
(chorus: Frances and Eugene)
Rory, Rory
Ride me, Rory
Rory, Rory
Ride me Rory
Rory! Ride me slowly
Ride me raw, raw, raw.
(Eugene)
Galloping through the morning dew,
There's only one thing I that I want to do to you--
And it's true, that I'm gonna to do it soon.
It'll take three to satisfy me,
'cause I'm more of a man than you'll ever be.
Rory, ride me slowly, ride me true, ride me true.
(repeat chorus)
