Everlasting Love (Buzz Cason, Mac Gayden)

U2

Hearts go astray, keeping hurt when they go
I went away just when you needed me so
You won't regret I'll come back beggin' you
Don't you forget
Welcome love we once knew, yeahOpen up your eyes
Then you'll realize
Here I stand with my
Everlasting loveNeed you by my side
Come and be my pride
You'll never be denied
Everlasting loveFrom the very start
Open up your heart
Feel the love you've got
Everlasting loveThis love will last forever
This love will last foreverHearts gone astray
Keeping up when they go
I went away
Just when you needed me so
You won't regret it
I'll come back begging you
Don't you forget
Welcome love we once knew, yeahWhen life really flows
No one really knows
The sun will have to show them
Everlasting loveLike the sun it shines
Endlessly it shines
You always will be mine
Eternal loveWhenever love went wrong
Ours would still be strong
We'd have our own
Everlasting loveThis love will last forever
This love will last foreverOpen up your eyes
Then you'll realize
Here I stand with my
Everlasting loveNeed you by my side
Come and be my pride
Never be denied
Everlasting loveFrom the very start
Open up your heart

Feel the love you've gotEverlasting love
Everlasting love
Everlasting love
Everlasting love
Everlasting love
