# A King Is Born

## Lex de Azevedo

A King is Born
With swaddling for robes and a
star for a crown...

Gently...A King is born!

With shepherds for subjects
and straw for a throne!

Tonight,A King is born!

Born of innocence,
born of love

God's love,a
Gift to all!

Bow,every
knee!

every tongue
tell the story!

Tonight,a
King is born!
