

# A King Is Born

## Lex de Azevedo

A King is Born  
With swaddling for robes and a  
star for a crown...

Gently...A King is born!

With shepherds for subjects  
and straw for a throne!

Tonight,A King is born!

Born of innocence,  
born of love

God's love,a  
Gift to all!

Bow,every  
knee!

every tongue  
tell the story!

Tonight,a  
King is born!
