Justice Aversion

Smog

Happens on a side street, maybe
Happens on a main street, maybe
Lion bites zebra neck
Zebra stomps lion headIt's justice
Justice aversion
In a proper way, 'cause I don't todayAnd root for the underdog
No matter who they are
At the bank robber in the getaway carIt's justice
Justice aversion
In a proper way, 'cause I don't todayI could stay up all night talking
About animal nature
And universe hesitant
And the grand ? ?It happened on a side street, maybe
It happened on a main street, maybeIt's justice
Justice aversionAnd root for the underdog
No matter who they are
At the bank robber in the getaway car
