

All She Wants Is You

[Guy Clark](#)

She's sneaky like Tennessee whiskey
she always takes me by surprise
She feels safe, she feels risky
Got the devil in her angel eyes.
There's nothing I can't tell her;
There's nothing she ain't heard
When she don't say nothing
Man, I hang on every word.
She's got nothing to prove
She's got nothing to lose
She's got everything on this string
Still All She Wants is You. Now everybody's got some baggage
She knows how to travel light
She don't judge anyone;
She knows wrong from right.
She don't need your permission;
She don't need no direction.
She'll steal your soul in a heartbeat
Yet she ain't guilty of nothin'.
She's got nothing to prove
She's got nothing to lose
She's got everything on this string
Still All She Wants is You.
She's got nothing to prove
She's got nothing to lose
She's got everything on a string
Still All She Wants is You.
