Till I Met You

Kyla

I never dream
'Cause I always thought that dreaming was for kids
Just a childish thing
And I could swear
Love is just a game that children play
And no more than a gameTill I met you
I never knew what love was
Till I met you
This feeling seems to grow more everyday
I love you more each dayI believe in you
I believe in every word that you say
I love you all the wayTill I met you
I never knew what love was
Till I met you
This feeling seems to grow more everyday
I love you more each dayYou and I should be together
Can't you see
Can't you seeTill I met you
I never knew what love was
Till I met you
This feeling seems to grow more everyday
I love you more each day
Till I met you
Oh, I never knew what love was
Till I met you
This feeling seems to grow more everyday
I love you more each day
