

# Till I Met You

[Kyla](#)

I never dream  
'Cause I always thought that dreaming was for kids  
Just a childish thing  
And I could swear  
Love is just a game that children play  
And no more than a game Till I met you  
I never knew what love was  
Till I met you  
This feeling seems to grow more everyday  
I love you more each day I believe in you  
I believe in every word that you say  
I love you all the way Till I met you  
I never knew what love was  
Till I met you  
This feeling seems to grow more everyday  
I love you more each day You and I should be together  
Can't you see  
Can't you see Till I met you  
I never knew what love was  
Till I met you  
This feeling seems to grow more everyday  
I love you more each day  
Till I met you  
Oh, I never knew what love was  
Till I met you  
This feeling seems to grow more everyday  
I love you more each day
