# Not In Your Head

## Ra

And when you think its over,
Is when it starts again,
No one seems to understand,
How to make this torture end,
and with your hands committed,
And the pain is real,
You should know its not your fault,

Chorus:
Its not in your mind,
Its not in your head,
Its not in the words that your family said,
Its not in your mind,
Its not in your head,
Its not in your thoughts as you lie there... in bed,

And so you close your eyes now,
Imagine living free,
You remember how it was,
How it was supposed to be
No one seems to love you,
No one seems to care,
You enact a morbid wish,
To see if someone is there,

(Chorus)

When time is in your pocket,
And you've got no where to go,
Let the moment take you higher,
Light a fire in the snow,
Maybe love was all you wanted,
Maybe pain was all you found,
Your wings will never save you,
With your feet chained to the Ground.
(With Your Feet chained to the ground)
Light your fire in the snow.

(Chorusx2 First time quiet, second time loud)
