You Don't Know Like I Know (Single Version)

Sam & Dave

You don't know like I know
What that woman has done for me
In the morning she's my water
In the evening she's my cup of teaJust as long as I live
Whatever's trouble to her
I go to her and like a miracle
Everything is alrightYou don't know like I know
What that woman has done for me
She brings her loving home now
Just the way it's supposed to beWhat she wants, she can get
But you know she's loving
Til she's ready, til she's ready to quitWill somebody help meJust as long as I live
Whatever's trouble to her
I go to her and like a miracle
Everything is alrightYou don't know like I know
What that woman has done for me
In the morning she's my water
In the evening she's my cup of teaNobody knows, nobody knows, nobody knows like I knowYou don't know
You don't know
Nobody knows
What that woman has done
