

Happy Heartbreak

Zander

Lately it's getting hard to reach your phone
I got some questions, but you don't care enough to know

Lately I know you're sleeping all alone
I got confessions, but you just won't let him go

I should've known that you were never mine
Should've known I wasn't on your mind

You've got me wishin that you just said no

She said that this was never meant to be
That all you did was fuck(mess) me up
I never wanted you to get involved
So now she's telling me get out
You don't belong here
in heartbreak central

Ooh Ooh Ooh

Baby it's getting hard to reach your phone
I got some questions, but you don't care enough to know

Every time I got lost in your eyes
I never knew you'd always look past mine

I should've known you'd never have the time
Should've known I wasn't on your mind

Youâ€™ve got me wishin that you just said no

She said that this was never meant to be

Meant to be

That all you did was fuck(mess) me up

Fuck me up

I never wanted you to get involved

Get involved

So now sheâ€™s telling me get out

You donâ€™t belong here

in heartbreak central

Ooh Ooh Ooh

I shouldâ€™ve known that you were never mine

Shouldâ€™ve known I wasnâ€™t on your mind

Youâ€™ve got me wishin that you just said no

She said that this was never meant to be

Meant to be

That all you did was fuck(mess) me up

That all you did was fuck me up

I never wanted you to get involved

Never wanted, never wanted this

So now sheâ€™s telling me get out

You donâ€™t belong here

in heartbreak central
