Step in the place and people like damn  
Party get started with a cool on the fan  
Body get naughty and do all that I can  
What is band that can't really rock  
What's an M.C. that's Rockin' the spot  
What is a mic that ain't got no cable  
What's a DJ without the turntable  
Whats a hot girl if she can't really dance  
What's electro without wearing tight pants  
What is a rhythm if it just don't bump  
Baby let me get it and give you what you want  
Give you what you need, baby how you want it  
Time to get nasty, get your ass on it  
Time to get on it, on it, on it  
Time to get on itRockin' to the beat
