

The Way I Loved You

Selena Gomez & the Scene

Everything's cool, yeah
It's all gonna be okay, yeah
And I know,
Maybe I'll even
Laugh about it someday But not today, no
Cause I don't feel so good
I'm tangled up inside
My heart is on my sleeve
Tomorrow is a mystery to me And it might be wonderful
It might be magical
It might be everything I've waited for,
A miracle
Oh, and even if I fall in love again
With someone new
It could never be the way I loved you Letting you go is
Making me feel so cold, yeah
And I've been trying to make
Believe it doesn't hurt But that makes it worse, yeah
See, I'm a wreck inside
My tongue is tied and my
Whole body feels so weak
The future may be all I really need And it might be wonderful
It might be magical
It might be everything I've waited for,
A miracle
Oh, and even if I fall in love again
With someone new
It could never be the way I loved you Like a first love,
The one and only true love
Wasn't it written all over my face, yeah
I loved you like you loved me (oh)
Like something pure and holy
Like something that can never be replaced And it was be wonderful,
It was magical,
It was everything I've waited for,
A miracle
And if I should ever fall in love again
With someone new
Oh, It could never be the way

No, It will never be the way
I loved you
