

# Not Home yet (New Recording)

[Steven Curtis Chapman](#)

Oh yeah  
To all the travelers, pilgrims longing for a home  
From one who walks with you  
On this journey called life's road  
It is a long and winding road From one who's seen the view  
Dreamt of staying on the mountains high  
And one who's cried like you  
Wanting so much just to lay down and die  
I offer this, we must remember this We are not home yet, we are not home yet  
Keep on looking ahead, let your heart not forget  
We are not home yet, not home yet, not home yet So close your eyes with me  
And hear the Father saying, " Welcome home"  
Let us find the strength in all His promises to carry on  
He said, "I'll go prepare a place for you" So let us not forget  
We are not home yet, we are not home yet  
Keep on looking ahead, let your heart not forget  
We are not home yet, we are not home yet  
Keep on looking ahead, let your heart not forget  
We are not home yet, no, no I know there'll be a moment, I know there'll be a place  
Where we will see our Saviour and fall in His embrace  
So let us not grow weary or too content to stay 'Cause we are not home yet  
We are not home yet, not home yet So let us journey on  
We are not home yet, we are not home yet  
So keep on looking ahead, let your heart not forget  
We are not home yet, oh we are not home yet So keep on lookin' ahead, let your heart not forget  
We are not home yet, oh, we are not home yet  
We are not home yet, we are not home yet, not home yet  
We are not home yet, so let us journey on  
Not home yet, we are not home yet
