Please don't take Annabelle away
Please don't take Annabelle away
Please don't take Annabelle away

And if you walk with me,
I will walk with you
And if you talk to me,
Then I will talk...
And if you walk with me,
I will walk with...

Please don't take Annabelle away
Please don't take Annabelle away
Please don't take Annabelle away
Please don't take Annabelle away
Please don't take Annabelle away
Please don't take Annabelle away

And if you walk with me,

Then I will walk with you
And if you talk to me,
Then I will talk to you
And if you walk with me,
Then I will walk with you
