Parachute (The NEF Project Remix)

Jaymes Young

Sweetness, I can read your mind.
I see your skin turn red, when you lie.
If you don't want to tell me nothing,
then you can go straight to hell.
Now I'm gonna tell you something,
you fucked this up yourself.I'm pulling up my parachute,
and I'm jumping from the plane we flew.
First i'm gonna tell the truth,
but then I'm burning my bridge to you.One step, was all it really took.
And I don't know your story,
but girl I've read your book.
If you don't want to tell me nothing,
then you can go straight to hell.
But first I'm gonna show you something,
you fucked this up yourself.I'm pulling up my parachute,
and I'm jumping from the plane we flew.
First i'm gonna tell the truth,
but then I'm burning my bridge to you.Don't lie, you're lying through your teeth.
And don't try to touch me,
I'm afraid of your disease.I'm pulling up my parachute,
and I'm jumping from the plane we flew.
First i'm gonna tell the truth,
but then I'm burning my bridge to you.
