

Demon Stuck in Your Eye

Le Butcherettes

You've got the water stuck in your mouth
You want to take it up but you just don't know how
You've got the demon stuck in your eye
You want to get him out but you just don't know whyOoooh (x4)You've got the demon stuck in your eye
You want to get him out but you just don't know why
You've got the water stuck in your mouth
You want to head head head southOoooh (x4)When in mind you can't believe
This lace you're in
Need a hand or two to breathe
Feel this man
Understand this love I have
For you man
Need a hand or two to see
It's you
Can't you see
It's you
Can't you seeOoooh (x6)
