Struggle Not

Le'Andria Johnson

Just believe and receive
The blessings God has promised you
Don't you doubt for a second
God's word is so true
Praise him for your victory
Even when you're going through
Struggle not for God has blessed youJust believe and receive
The blessings God has promised you
Don't you doubt for a second
God's word is so true
Praise him for your victory
Even when you're going through
Struggle not for God has blessed youNow it seems all has failed
When you reach out for him
And inside you're all alone
No one to call so I pick up the phone
For your trust is not in man
That's why I still need your plan
Struggle not for God has blessed you
(Struggle not for God has blessed you)Oh, for God has blessed you
(God has blessed you)
For God has blessed you
(God has blessed you)
For God has blessed you
(You)
For God has blessed youFor God has blessed you
(Yes he's blessed you)
Yes, for God has blessed you
(Oh, yes)
Struggle not for God has blessed you
(Struggle not for God has blessed you)Oh, for God has blessed you
(God has blessed you)
For God has blessed you
(God has blessed you)
For my God has blessed you
(You)
God has blessed youGod has blessed you
(God has blessed you)
Oh, God has blessed you

(God has blessed you)
Struggle not for God
(Struggle not God)
Struggle not for God has blessed you
(Struggle not)
Struggle not
(Struggle not)
For God has blessed you
