Ego

Ego (x4)Ego (x4)I created a monster, should've won me an oscar (yeah)
actin like i would so strong
puttin on a broadway show
i became everything i didn't wanna be
to hide my feelings inside
and what i've became somehow got control of me
and i'm in the fight for my life (my life)(Chrous)
What do you do when you're lost inside yourself
do you keep screaming out for help?
you better get rid of that ego
ego (oh)

What do you do when you're lost inside yourself
do you keep screaming out for help?
you better get rid of that ego
