Tami Chynn, Tami ChynnAnother day, another way to make me feel right
I'm so dependent on your love, I'm caught in your high
You put my world in a beautiful rhyme
My love for you is makin' news, it's makin' headlinesBaby, you know that you control me
You got your love all over me
You know you got me feelin' like ohFrozen, I'm frozen, I'm frozen, I'm frozen
Baby, you know that I'm stuck on your love
Frozen, I'm frozen, I'm frozen, I'm frozen
(Got you on ice)
I'm so in love baby, I'm frozen
I'm frozenYou got me good, you got me
Got you outta control baby
(Got you on ice)
You got me good, you got me
Got you outta control babyYou got me good, you got me right and boy I like that
There's no confusion bout the way I feel about that
This thing we have is ahead of its time
Just keep on doin' what youre doin, never change trackBaby, you know that you control me
You got your love all over me
You know you got me feelin' like ohFrozen, I'm frozen, I'm frozen, I'm frozen
Baby, you know that I'm stuck on your love
Frozen, I'm frozen, I'm frozen, I'm frozen
(Got you on ice)
I'm so in love baby, I'm frozen
I'm frozenShorty wanna come back to my place
Talkin' 'bout she gettin' hot in that air
Wanna bring her back to my place, no doubt
Plenty room to scream out and yellYou know I'll be gettin my climbin' on
Baby girl'll be gettin' her grindin' on
That's the reason why it's so hot
Cool her off and act like it's notThen take her away
But she'll never run away
I got you windin' and glidin'
Melt the ice and start slidin'
Like a snowy day
So come and get it TamiJust let me get it, get it

I wanna feel it, feel it
Let me lose myself in it
Baby, I'm frozenJust let me get it, get it
I wanna feel it, feel it
Let me lose myself in it
Baby, I'm frozenFrozen, I'm frozen, I'm frozen, I'm frozen
(Got you on ice)
(Got you on ice)
Frozen, I'm frozen, I'm frozen, I'm frozen
(Got you on ice)
