In the Morning

NAO

Oh oh
Oh ohHe can't bear to leave me, in the morning
I'm too blind to see him, in the morning
Buried all my feelings
I'm withholding, it's not fair to let him fallI tried to leave him signs
Give him warning
Are they hard to recognize?
You're still falling
Away 'cause I can't tell him
I don't love him anymoreI've got to let him go
I've got to let him go
I've got to let him go
I've got to let him go
I've got to let him goHe's falling even deeper, didn't see it coming
His heart belongs to me, but I'm still running
Away 'cause I can't tell him
I don't love him anymoreI can't be who he wants me to be, in the morning
I can't see whom he wants me to see, in the morning
But I can't wait to tell him
I don't love him anymoreI've got to let him go
I've got to let him go
I've got to let him go
I've got to let him go, no
I've got to let himI need him in the evening
I need him more and more
But when I wake to see him
He's not even on my mind oh no no noI've got to let him go, no no no
I've got to let him go, no no no no
I've got to let him go, no no no
I've got to let him go, go
