The Hurt

Kalapana

Oh you say you're mine
And I believe you every single time
Even though they say you're not my kind
I just can't believe you'd lie
Oh all my friends are laughing
Seeing you out with other men i'm dying
Cant you see it in my eyes i'm cryin
I just cant believe you're not mineWould you hurt the man who loves you
Would you hurt the man today
Would you take the love you gave me away
Would you hurt the man who loves you
Would you hurt the man today
Would you take the love you gave me awayOh what have I done
All the time I guess it was just fun
I gave away this Sweetest girl I knew
Oh, just for youWould you hurt the man who loves you
Would you hurt the man today
Would you take the love you gave me away
Would you hurt the man who loves you
Would you hurt the man today
Would you take the love you gave me awayOh i know
I'll never never never know the truth
Oh I love you too much girl to spoil your fun
I can't run
No no no
I can't runI guess I had it coming
I fooled around before when I was tied
And now my freedom stings me I couldnt hide
But I'd still be a fool all my lifeWould you hurt the man who loves you
Would you hurt the man today
Would you take the love you gave me away
Would you hurt the man who loves you
Would you hurt the man today
Would you take the love you gave me awayHurt the love you gave me
Hurt the man who loves you
Hurt the love you gave me
Hurt the man who loves you
Hurt the love you gave me
Hurt the man who loves you

Hurt the love you gave meHurt hurt
Hurt hurt
Hurt hurt
Hurt hurt.. (repeat til fades)
