

# Citizen's Band Radio

## Carter The Unstoppable Sex Machine

Conspiracy theory Number One  
Jesus was a man from Mars  
The stable was a pub called the Rising Sun  
And The Three Wise Men arrived in cars  
Conspiracy theory Number Two  
War is just a marketing plan  
If you've got an army who'll die for you  
You can be a marketing man  
I heard it on the citizen's band  
There's really nothing to it hardly  
It's elementary  
As easy as Alpha Bravo Charlie  
As simple as ABCI heard it on the citizen's band  
I heard it from the citizen's band  
Conspiracy theory Number Three  
The government control who you are  
And if your music's good for the economy  
You can be a rock 'n' roll star  
There's really nothing to it hardly  
It's elementary  
As easy as Alpha Bravo Charlie  
As simple as ABCI lost the signal in a tunnel for a while  
And heard some corporate rock  
Some multi-national  
And at the end of the dial  
I heard some manufactured pop  
I pulled in to the side of the road  
And retuned to 95 Point I Don't Know  
Citizen's band radio  
The home of the stars  
Tune into the breakfast show  
And listen to The Man From Mars  
Go, Da da da da da la la da da da da  
Da da da da da da la da da da da da  
Da da da da da da da da de la la la de
