

You

Deep Blue Something

Well hey you, Mr Torn Jeans Do you think you're mean Well, you cut just as easily As the faggot in the pink Are
you ready tonight For the bloody sight Be a good boy, stand up and fight You're gonna die
You're gonna die Well hey you, Mrs Big Hair No one really cares And all the boys stop and stare
It isn't fair Well, you really look right But we know you're not tight Because you slept with my roommate last
night You're gonna die You're gonna die Remember , I'm in you, I'm in you
Remember, I'm in you Remember, I'm in you, I'm in you I'm in you Well hey you, Mr Policeman Trying to hold
my hand
Yeah, we like what you're saying But please get off the band And please don't cry 'Cause you know you can't
fly But all you do is sit and get high
You're gonna die (5X) I'm in you, I'm in you (4X)
