Words Get In The Way

Trace Adkins

I wanna tell you that I'm sorry
I wanna say that I was wrong
I wanna tell you that this circus
That we been living in
Ain't where we belong
It's like the Grand Canyon
And we're out here on the edge
But we're still standin'
Baby we haven't fallen yetI don't wanna talk anymore tonight
Fallin' through the trap
Of who's wrong and who's right
It's easy to see
The way you're lookin' at me
That you just want the same things
That I do
All I want is to make love to you
There's really nothing to say
Don't let our words get in the wayWe both know love's not perfect
It's good, it's bad, it's everything
You know what makes it worth it
For the all the moments in between
There's a deep ocean
Sometimes it's sink or swim
These are real emotions
So baby let's dive inI don't wanna talk anymore tonight
Fallin' through the trap
Of who's wrong and who's right
It's easy to see
The way you're lookin' at me
That you just want the same things
That I do
All I want is to make love to you
There's really nothing to say
Don't let our words get in the wayBabyYou just want the same things
That I do
All I want is to make love to you
There's really nothing to say
Don't let our words get in the way
Oh

Don't let our words get in the way
Don't let our words
