The Truth

Relient K

And I've collected all these thoughts
And I'm dying just to lose them
And if your words are true or not
I'll die tryin' to prove them
But I'll just have to accept that my mind is so inept
And the only thing that's left for me to do is to trust you
Convince me because I really need your help
Oh, convince me because I can't see this for myself
I'll put the emphasis on the evidence begging for the proof, oh
Sometimes the hardest thing to believe is the truth
This is so unnerving
I know you've never lied to me before
But the things you're telling me
I can't yet believe, yet can't ignore
But I'll just have to accept that my mind is so inept
And the only thing that's left for me to do is to trust you
Put the emphasis on the evidence begging for the proof, oh
Sometimes the hardest thing to believe is the truth
Attempt to place our lives into your hands, confide in what you'll do, oh
Sometimes the hardest thing to believe is the truth
It's a world full of cynics who say to stay alive in it
You gotta stick with what you know
But the soul is always aching for the heart to start takin'
A chance by letting go, so let go, let go, oh
Sometimes the hardest thing to believe is the truth
Attempt to place our lives into your hands, confide in what you'll do, oh
'Cause sometimes when you're tryin' to sleep
And all your doubts and your faith don't agree, it's 'cause
Sometimes the hardest thing to believe is the truth
