When I See U

Fantasia

I put your picture on my mirror
Start to blush when somebody says your name
In my stomach there's a pain
See you walk in my direction

I go the other way

I start to stutter when I speak

Start to stand but my knees go weak

What's happening to me?

In the dark, can you tell me what it means? I lay my head on my pillow

Staring out the window

Wish on a star for a sign

You're the reason why You're always on my mind

When you come around I get shy

When I see you (See you)

When I see youI never know when you might walk by

So I gotta be right on time

When I see you

When I see youI scribble x and O's in my notebook

Checking how my hair and my nails look

I feel myself in a zone

I get nervous when you call

So I say I'm not home

I see your face

And I hear my favorite song

Should I send an e-mail at home?

You're the number one topic on the phone

I wonder if you know or do you have a clue, yeahI lay my head on my pillow

You got me staring out the window

Wish on a star for a sign

What's the reason why, yeah yeah You're always on my mind (You're always)

When you come around I get shy

When I see you (So sexy boy)

When I see you (You're sexy boy)I never know when you might walk by

So I gotta be right on time

When I see you

When I see youSomething now is taking over me

Yeah, yeah, yeah, yeah

I'm not gonna run not

Just gonna stand here and see

Oh, oh, yeahYou're always on my mind (Hey baby)

When you come around I get shy

When I see you

 $When \ I \ see \ you \ (You're \ so \ sexy \ boy) I \ never \ know \ when \ you \ might \ walk \ by \ (I \ don't \ know)$

So I gotta be right on time

When I see you (But I get nervous around you)

When I see youYou're always on my mind (You're always)

When you come around I get shy

When I see you (You, you, you)

When I see you (I love it, I love it)I never know when you might walk by

(Yes I love it boy)

So I gotta be right on time

When I see you

When I see you (For some reason I can't, I can't be around)Hey

I can't

Only when I see you
