It's Over

Roy Orbison

Your baby doesn't love you any more
Golden days before they end
Whisper secrets to the wind
Your baby won't be near you any moreTender nights before they fly
Send falling stars that seem to cry
Your baby doesn't want you any more
It's overIt breaks your heart in two, to know she's been untrue
But oh what will you do?
When she says to you
There's someone new we're through, we're through
It's over, it's over, it's overAll the rainbows in the sky start to even say goodbye
You won't be seeing rainbows any more
Setting suns before they fall, echo to you that's all that's all
But you'll see lonely sunset after allIt's over, it's over, it's over, it's over
It's over
