

Without You (feat. T.E.E.D.) [Hayden James Remix]

Dillon Francis

You can hold on if you want to
But you know I'll never let you go
Ain't nobody there to talk to
Nobody's at home and this heart might deform you
You can see the bright side
Of waking up and being alone
If only you could see the future is all yours now
'Cause I know I'll be higher without you now Keeping I will last somehow
Oh, you'll be lighter without me girl
Feeling alright somehow
I'll be high without you now
Keeping I will last somehow
Oh, you be light without me
Feeling alright somehow 'Cause I know I'll be higher without you
Higher on my own
You'll be higher without me
Higher on your own Higher without you now
Keeping up with life somehow
Oh, you be lighter without me girl
Feeling alright somehow
I'll be higher without you now
Keeping up with life somehow
Oh, you be lighter without me girl
Feeling alright somehow
Feeling alright somehow
Feeling alright somehow
