

Shutdown

3TEETH

I wont wear your disguiseIt wants you. It needs you. It wants you. It needs you. But i wont let it decide.

This is the place where the mind is a crooked ground we came to execute its own perfect shut down.

I cant live in your hive

I wont let it drive.

It wants you. It needs you. It wants you. But i wont let it decide.

This is the place where the mind is a crooked ground we came to execute its own perfect shut down. Down.

Down. Down. Down. Down. Down.
