Calls From Sunset

Lais

[Verse 1:]
I know I'm fucked up yea it's all true
I'm never thinking when I call you
No I'm never sober when I fall through
But even when I am I still want you
I'm so sorry I'm not sorry
Just not used to being sorry
Wearing Ballys, need a 'rari
Need it all before I'm buried
Need it all before I'm buried, oh yeah
Getting all I want, get it all night long
I'm downing these drugs just to stay up
Cause more time is all I want
Fuck me like you owe me baby up
Is this love made up, I can't say but I know[Hook:]
I'm too young to settle for shit
I'm too young to settle for you
I'm too young to settle for shit
I'm too young to settle...I'm too young to settle for shit
I'm too young to settle for you
I'm too young to settle
I'm too young to settle for you[Verse 2:]
I miss us being how we used to be way back in October
I know you hate me but I hope that you still love me when it's over
So sorry, not sorry
Not used to being sorry
Wearing Ballys, need a 'rari
Need all it, need it all, need it all
Came up off nothing I'm feeling the buzz
Singing for love and slinging these drugs
Giving me all isn't giving enough
This wasn't luck
All these nights feel longer than they used to be
Drinks, drugs, nudity
Feelings acting foolishly
Covered wounds with jewellery
Oh baby, I'm dripping in my shine
And having time to have you is getting hard to find[Hook:]
I'm too young to settle for shit

I'm too young to settle for you
I'm too young to settle for shit
I'm too young to settle...I'm too young to settle for shit
I'm too young to settle for you
I'm too young to settle
I'm too young to settle for you[Outro:]
Calls from sunset
Calls from sunset
Lost in this lovely mess
Calls from sunset
