

Racey Lacey

Girls Aloud

I know this girl, she's not too bright
But she's educated in bed alright
She's made seduction a work of art
A PhD with her legs apart
She's got dreamy eyes and little lips
She's got undulating, grundulating, grinding hips
She clicks her fingers, guys come to heel
Chewed up, spat out, no big deal
Racey Lacey, boudoir beauty
It's all that she can do
A connoisseur of satin sheets
A bed head through and through
Racey Lacey, boudoir beauty
The lights down suit her fine
The girl ain't backward in coming forward
She's got this crazy line
And so this girl, I've heard it said
Can spend up to twenty four hours in bed
She gets her suitors to wait in line
And she's worn them out by half past nine
She's got dreamy eyes and little lips
She's got undulating, grundulating, grinding hips
She clicks her fingers, guys come to heel
Chewed up, spat out, no big deal
Racey Lacey, boudoir beauty
It's all that she can do
A connoisseur of satin sheets
A bed head through and through
Racey Lacey, boudoir beauty
The lights down suit her fine
The girl ain't backwards in coming forward
She's got this crazy line
She's got dreamy eyes and little lips
She's got undulating, grundulating, grinding hips
She clicks her fingers, guys come to heel
Chewed up, spat out, no big deal
Racey Lacey, boudoir beauty
It's all that she can do
A connoisseur of satin sheets
A bed head through and through
Racey Lacey, boudoir beauty
The lifestyle suits her fine
The girl ain't backwards in coming forward
She's got this crazy line
