# Who's Got Your Money?

## Tina Parol

I had a feeling
cause you're not calling
you say no
but people been talking
fol-lowed you around the block
saw her-
she aint even hot!

First I was sad,
at first I was cryin'
then I got mad
and I started buyin'

Fells good, swipin' your Visa
Louis, Gucci, Flight to Ibiza

I left you a note.
letting you know you're broke!

Whose got your money now?
Whose got your money now?
Whose got your money now?
ME! ME!
Whose got your money now?
Whose got your money now?
Whose got your money now?
ME! ME!

Look at me, here I go,
Spendin' all of your dough
Whose got your money money?
Money!
Whose got your money money?
Money!

It's hard to believe
how much I adored you
Everyone knew how much
I adored you
But that's that,

I aint lookin' back!
I'm movin on,
in my brand new Cadillac!

Can't stop,
my heart still has a crack
Still
