In Waves

IN WAVES (4x's)Do I end this all for the world to see (In waves, In waves)
Do I take everybody else down (Every body else down) Everybody else down with meIN WAVES (4x's)Do I end this all for the world to see (In waves, In waves)
DO I take everybody else down (Every body else down) Everybody else down with meI know that death approaches fast (In waves, In waves)
What's the purpose if this life won't last (what's the purpose)
Pulling everyone down with me(Perpetually) Perpetually we're igniting in waves
(Excessively) Excessively we're sinking in flames(Perpetually) Perpetually we're igniting in waves
(Excessively) Excessively we're sinking in flamesIN WAVES (4x's)Do I end this all for the world to see (see, see)
DO I take everybody else down (down, down), Everybody else down with meI know that death approaches fast
What's the purpose if this life won't last (what's the purpose)
Pulling everyone down with meDo I end this all for the world to see (In waves, In waves)
DO I take everybody else down (Every body else down) Everybody else down with meI know that death approaches fast (In waves, In waves)
What's the purpose if this life won't last (what's the purpose)
Pulling everyone down with mePulling everyone down with meIN WAVESPulling everyone down with me
