Ring a Bell

Late Night Alumni

Late Night... like we've both been here before like... we're part of an alumni... I ring a bell, am I right? Oh... It's a dizzy heat, like a light that sends a wave through me, it's a tangible memory as easy as one, two... three. But it takes so long! It kinda feels like it. It kinda seems like it. Waiting all my life. It kinda feels like it, like I'll see you again.

Is there someone there? It kinda feels like it, It kinda seems like it Is that someone mine? It kinda feels like it, like I'll see you again. You know, it's just like riding a bike, so... you don't have to think to breathe, no? Can't say you don't remember... oh. The camera eye catches everything I see but why do I recognize the mood so right? It's burning time in my mind. Hey hey hey. But it takes so long! It kinda feels like it. It kinda seems like it. Waiting all my life. It kinda feels like it, like I'll see you again. Is there someone there? It kinda feels like it, It kinda seems like it Is that someone mine? It kinda feels like it, like I'll see you again. But it takes so long! It kinda feels like it. It kinda seems like it. Waiting all my life. It kinda feels like it, like I'll see you again. Is there someone there? It kinda feels like it, It kinda seems like it Is that someone mine? It kinda feels like it, like I'll see you again. It kinda feels like it. It kinda seems like it. It kinda feels like it, like I'll see you again.
