What If

Nichole Nordeman

What if you're right
And He was just
Another nice guyWhat if you're right
What if it's true
They say the cross
Will only make a fool of you
And what if it's trueWhat if He takes His place in history
With all the prophets and the kings
Who taught us love and came in peace
But then the story ends, what thenBut what if you're wrong
What if there's more
What if there's hope
You never dreamed of hoping forWhat if you jump
Just close your eyes
What if the arms that catch you
Catch you by surprise
What if He's more
Than enough what if it's loveWhat if you dig
Way down deeper
Than your
Simple-minded friendsWhat if you dig
And what if you find
A thousand more
Unanswered questions down inside
That's all you findWhat if you pick apart the logic
And begin to poke the holes
What if the crown of thorns is no more
Than folklore that must be told and retoldBut what if you're wrong
What if there's more
What if there's hope
You never dreamed of hoping forWhat if you jump
Just close your eyes
What if the arms that catch you
Catch you by surprise
What if He's more
Than enough what if it's love'Cause you've been running
As fast as you can
And you've been looking
For a place you can land

For so long but what if you're wrongWhat if you jump
Just close your eyes
What if the arms that catch you
Catch you by surprise
What if He's more
Than enough what if it's love
What if it's love
