Look Who's Talking Now

Britney Spears

Verse1
Champagne, caviar, hot boys at the bar
Lookin' at me, yeah they're lookin' at me
I was true to you, just to find my point of view
Now you're lookin' at me, yeah you're looking at me
Pre-Chorus
They wanna give it to me, they wanna give it to me
But I wouldn't go for that cuz boy I had your back
This song is all about me, damn right it's all about me (ya)
La la la la la la
La la la la la la

Chorus
Hey hey hey, so look who's talking now
That's what this song's about, me (yeah yeah yeah)
Hey hey hey, think you got me figured out
But look who's talking now, it's me
Yeah yeah yeah yeah
Verse 2
Fast cars and bubble baths
High heels stepping on the gas
Lookin' at me, yeah they're looking at me
Dreamsicles melt away
I'm thinking every day
Lookin' at me, you're still lookin' at me
Pre-Chorus 2
I wanna give it to you

I wanna give it to you
But I can't go for that cuz boy it's in the past
This song is all about me, damn right it's all about me (ya)
La la la la la la
La la la la la la
Chorus
Hey hey hey, so look who's talking now
That's what this song's about, me (yeah yeah yeah)
Hey hey hey, think you got me figured out
But look who's talking now, it's me
Yeah yeah yeah yeah

Bridge
Controversy is like a tickin' time bomb
Controversy is what they want
Please believe that's not what I spend my time on
Controversy is all they want
Chorus
Hey hey hey, so look who's talking now
That's what this song's about, me (yeah yeah yeah)
Hey hey hey, think you got me figured out
But look who's talking now, it's me
Yeah yeah yeah yeah
Hey hey hey, so look who's talking now
That's what this song's about, me (yeah yeah yeah)
Hey hey hey, think you got me figured out
But look who's talking now, it's me
Yeah yeah yeah yeah
