

# Here Is Gone

## Goo Goo Dolls

You and I got somethin  
But it's all and then it's nuthin to me, yeah  
And I got my defenses  
When it comes through your intentions for me, yeah And we wake up in the breakdown  
With the things we never thought we could be, yeah I'm not the one who broke you  
I'm not the one you should fear  
We got to move you darlin'  
I thought I lost you somewhere  
But you were never really ever there at all And I want to get free  
Talk to me  
I can feel you falling  
And I wanted to be  
All you need  
Somehow here is gone I am no solution  
To the sound of this pollution in me, yeah  
And I was not the answer  
So forget you ever thought it was me, yeah I'm not the one who broke you  
I'm not the one you should fear  
We got to move you darlin'  
I thought I lost you somewhere  
But you were never really ever there at all And I want to get free  
Talk to me  
I can feel you falling  
And I wanted to be  
All you need  
Somehow here is gone And I don't need the fallout  
Of the past that's in between us  
And I'm not holding on  
And all your lies weren't enough to keep me here And I want to get free  
Talk to me  
I can feel you falling  
And I wanted to be  
All you need  
Somehow here is gone And I want to get free  
Talk to me  
I can feel you falling I know it's out there  
I know it's out there  
And I can feel you falling I know it's out there  
I know it's out there

Somehow here is gone, yeah I know it's out there  
I know it's out there  
Somehow here is gone, yeah
