## Skinny Puppy

Must be leading the lightning socket  
Read backwards are fucking our pocket  
None of this means, so better not fuck it  
Chinese way; capital inside!  
Who's been dropping shit lays talking  
Everyone smells your life when you walkin'  
Lies all living on a piece of shit Domination, domination dirty termination,  
Dirties up definition, dirties up denom denom  
Drop won't make it up  
It is enough, it is enough, it is enough  
A shimy shake 'nough, 'nough  
Shimyshakin' a century dirt dumb  
It is enough, it is enough  
In a vision submission is enough  
Are you offered a suck!  
Are you offered a suck!  
Are you offered a suck!  
Are you offered a suck! A suck! A suck! Must've been ticking a week or two vegan  
Fell apart words are talked for a legion  
Maybe not, my mother says, based on shit  
Shifting eyes, I'll take you one fist  
Who's been talking in magic secret  
Getting in line with mind control mantra  
We are all eating on tomorrow's lies. Domination, domination, dirty termination  
Dirties up definition, dirties up denom, denom  
Drop won't make it up  
It is enough, it is enough, it is enough  
Bomb these mo-fo, bomb, emission, bomb  
Remission, bomb, emission, bomb, remission
