Who Is He (And What Is He to You)?

Creative Source

A man we passed just tried to stare me down
And when I looked at you, you looked at the ground
I don't know who he is but I think that you do
Dadgummit, who is he and what is he to you?Ahh, somethin' in my heart and in your eye
Tells me, he's not someone just passin' by
Ahh, and when you cleared your throat, was that your cue?
Dadgummit, who is he and what is he to you?And now, when I add the sum of you and me
I get confused and I keep comin' up with three
You're too much for one man but not enough for two
Dadgummit, who is he and what is he to you?Well, you tell me men don't have much intuition
Is that what you really thinkin' girl or are you wishing?
Before you wreck your old home please search another new
Dadgummit duh, who is he and what is he to you?Dadgummit, who is he and what is he to you?
Dadgummit, who is he and what is he to you?
Dadgummit, who is he and what is he to you?
