

Fall in Love With Me

Iggy Pop

You look so good to me here in this old saloon
Way back in West Berlin, a bottle of white wine
White wine and you, a table made of wood
And how I wish you would fall in love with me
You look so good to me standing out in the street
With your cheap fur on or maybe your plastic raincoat
And your plastic shoes, they look good too
Standing in the snow, you're younger than you look
Fall in love with me, fall in love with me
How I wish you would, a table made of wood
And a, a bottle of white wine and you
And a, a bottle of white wine and you
And when you're standing in the street
And it's cold and it snows on you
And you look younger than you really are
I wish you would fall in love with me
I wish you would fall in love with me
I wish you would fall in love with me
I wish you would fall in love with me, yeah
The way your eyes are black, the way your hair is black
The way your heart is young, there's just a few like you
You're just the kind I need to fall in love with me
Oh, and you look so good, oh yes, you look so good
A bottle of white wine, a cigarette and you
A here in this saloon, a white wine and you
I wish you'd fall in love with me
I wish you'd fall in love with me
Cause there's just a few like you so young and real
There's just a few like you so young and real
Fall in love with me, fall in love with me
Fall in love with me, fall in love with me
I wish you would, you look so good
Oh when you're young at heart, there's just a few like you
You're young at heart, won't you?
Come to this old saloon, come to my waiting arms
A table made of wood and I will look at you
Cause you're so young and pure, and you're young at heart
You're young at heart, a bottle of white wine
And when you're tumblin' down, you just look better
Oh, when you're tumblin' down, you just look better
