

I Should Care

Abbey Lincoln & Hank Jones

I should care
I should go around weeping
I should care
I should go without sleeping

Strangely enough I sleep well
'Cept for a dream or two
But then I count my sheep well
Funny how sheep can lie you to sleep

So I should care
I shouldn't let it upset me
I should care
But it just doesn't get me

Maybe I won't find someone
As lovely as you
But I should care
And I do

So I should care
I shouldn't let it upset me
I should care
But it just doesn't get me

Maybe I won't find someone
As lovely as you
But I should care
And I do
