

# Speed Racer

[Liz Phair](#)

Don't give me that sucker-fish shit  
Your love life ain't that hurting  
And you always seemed to get what you  
Wanted without flirting You're not the only one  
Who's used to playing dirty  
And all I ever wanted from you  
Is to leave me alone So don't give me that sucker-fish shit  
'Cause I'm not that strong a swimmer  
But I'm not afraid to be moving  
In a slower river You're not the only one  
Who used to watch Speed Racer The very first car  
In a race around the world  
Is somewhere in the middle  
Of a race around the circle And the very first car  
In a race around the world  
Has got to wipe out somewhere  
But that somewhere isn't me So don't give me that sucker-fish shit  
'Cause I'm not getting younger  
And I'm not a floatable  
To keep you from going under And you're not the only one  
Who used to watch Speed Racer The very first car  
In a race around the world  
Is somewhere in the middle  
Of a race around the circle And the very first car  
In a race around the world  
Has got to wipe out somewhere  
But that somewhere isn't me
