

Lady

Carmine Appice

I'm crazy for this little lady
I'm freaking for my little baby
'Cause she makes me feel good

She's so fine

Don't need all my other ladies

I'm beggin' for this little lady

'Cause I tell you she's cool

She's divine

I know she's a super lady

I'm weak and I've gone hazy yeah

I'm crazy for that lady

She's chic but she's not shady yeah

Sophisticated lady

And she makes me feel good

She's so fine

Never knew there was such a lady

That would make me want to straighten

Out my life at this time but I find

I'm thinkin' 'bout this pretty lady

I would love her good as my own baby

'Cause you know she's no fool

She's refined

I know she's a super lady

I'm weak and I've gone hazy yeah

I'm crazy for that lady

She's chic but she's not shady yeah

Sophisticated lady

And she makes me feel good

She's so fine

Yeah

Don't you know she blows my mind

All the time

'Cause she makes me feel good

Like a real woman should

Yeah

She's so mine

Yeah

I'm weak and I've gone hazy yeah

I'm crazy for that lady

She's chic but she's not shady yeah

Sophisticated lady

And she makes me feel good

And she makes me feel good

And she makes me feel good

She's so fine

Yeah

Don't you know she blows my mind

All the time

And she makes me feel good

Like a real woman should

Yeah

All the time

Yeah

Yeah Yeah Yeah Yeah
