Beautiful Things

Tori Kelly

I'd been afraid
I'd been away too long
Every city whispering your nameWon't ask you wait
But darling when I get home
I'm hoping that you might still feel the sameIf you go, I think I'd understand
It's not that easy holding my hand
But you should know
That I miss you all the time
And I wish that I could tell you that we'll be alright
But I can't be where you are tonightOhI only dream beautiful things about you
So waking up always seems to hurtAnd I hate goodbyes
But I will try to make them work
If you break my heart when i returnIf you go, I think I'd understand
It's not that easy holding my hand
But you should know
That I miss you all the time
And I wish that I could tell you that we'll be alright
But I can't be where you are tonightOoooh ooh ooooh (3x)
I can't be where you areIf you go, I think I'd understand
It's not that easy holding my hand
But you should know
That I miss you all the time
And I wish that I could tell you
But I can't be where you are
