Plies

What you're looking for baby
I know why you want love in the middle of the night
Don't be looking out scary
When you've been looking for this for long long time
Come on over here baby you can love me in the dark,
You can love me in the light

..

looking out crazy, 'cause you're going on me and we left behind They can come to baby

> What's .. as long as they're fine, ... can't help it Tell them one night the time and they all like ..

Chorus:

Love me, love me, love me love me love me ...
....once, love me, love me, love me love me
You're looking for the ..

Love me, love me, love me love me love me ...

She ... love me, love me, love me love me love me ..

You can come to daddy, I'll be your lover whatever you lie

Let me live .. don't you mack me after the next try

'cause ... and the .. in town for one more night

You ain't the only hear it, so many girls ain't lie going crazy outside.

Chorus:

Love me, love me, love me love me love me ...
....once, love me, love me, love me love me
You're looking for the ..

Love me, love me, love me love me love me ..

She ... love me, love me, love me, love me love me love me ..

To the ..after .. and we can do whatever you tell me

You smell me, .. come long ...

But when I'm home I'm Rambo Silvester Stalone

And she know that, pincher ..like ..

Listen the body ... tell em the whole that

And if you see a ...
