

Slow Roll It

Roy C

i met this beautiful young girl
she told me she had a couple of words 4 me
but i told her she was a lil' 2 young
but she said you may be, twice my age
but age ain't nothin' but a number, i can show you
how to make love right, and it ain't gone take but part of the night
and she told me to put my hand ova here, put her hand back there
and squeeze, all night

(Chorus)

but she told me slow rollin', she told me strokin' wit the motion
slow rollin' heyy heyy heyy she said strokin' wit the motion
yeahh

well you neva get to old to learn
but i can say its a shame on me
i shoulda known, how 2 put a lil' rock
oooh i shoulda known how 2 do it all night
but she was a young girl, to show me how to make the right move
just a young girl to put me through school

(Chorus)

but she told me slow rollin'
mmmm, she said stroke it wit the motion
oooh yeahh slow rollin'
she told me stroke it wit the motion
ahh yeahh

just a young girl, to show me the right move
she told me i had to take my time
and she told me, i was movin' too fast
she told me i had to slow it dooown

and then she told me, it aint what you got its how you use it
ooooh and you makin' love 2niggght
girrrrl you taught mee, how to do it
i dont wanna go home
nooo not 2night,awwwhh i wanna stay here
all night, kiss me baby

ooh you can slow roll it

slow roll it, awh yeah
you got to stroke it wit the motion
awh yeah

slow roll it, thats what my baby told me
she said i stroke it wit the motion

i was deared to hear that sweet voice
it sounds as clear as yesterday
i remember her sayin'
you may be twice my age
but age aint nothin buuut a number

(Chorus)

slow roll it, you got 2 stroke it wit the motion
baaaaby, slow rollin'
uh-huh you got 2 stroke it wit the motion
yeah

well thats the story of my life and i'll always remember
ooh yeahh she told me not 2 rush
and she told me 2 take my time
she said i had a job to do
oh yeah, if it takes all night
here's what she told me

she said i gotta move it 2 the left
i gotta move it to the right
come dooown the middle
and work it all night
now lemme tell you fellas
you may run off in the wrong direction
and do all those crazy things
those fellas are doin'
but imma stand right here
in the old school method

and when you find me
i'll be some where

slow rollin' she told me stroke it wit the motion
