

No One (Curtis Lynch Reggae Remix)

Alicia Keys

I just want you close
Where you can stay forever
You can be sure
That it will only get better You and me together
Through the days and nights
I don't worry 'cause
Everything's going to be alright
People keep talking they can say what they like
But all I know is everything's going to be alright No one, no one, no one
Can get in the way of what I'm feeling
No one, no one, no one
Can get in the way of what I feel for you, you, you
Can get in the way of what I feel for you When the rain is pouring down
And my heart is hurting
You will always be around
This I know for certain
You and me together
Through the days and nights I don't worry 'cause
Everything's going to be alright
People keep talking they can say what they like
But all I know is everything's going to be alright No one, no one, no one
Can get in the way of what I'm feeling
No one, no one, no one
Can get in the way of what I feel for you, you, you
Can get in the way of what I feel for you I know some people search the world
To find something like what we have
I know people will try try to divide something so real
So til the end of time I'm telling you there is no one No one, no one, no one
Can get in the way of what I'm feeling
No one, no one, no one
Can get in the way of what I feel for you, you, you Oh oh oh oh
Oh oh oh oh
Oh oh oh oh
Oh oh oh oh
Oh oh oh oh
