Clean

Camber

I want you to stay the way you are
Skinny legs and all
I know the time is coming
When the boys will begin to call
I wish that I could hurt for you
When you are learning how to fall
You are the reason that I'm alive today
You are the reason that I've changed my life
In a wonderful way
I can see the passion
That is growing inside of you
I can see the sadness
That throws a shadow down on everything you do
I wish I was the man you thought I was
Back when life was new for you
You don't know what it's like
To feel a love like this
You don't know what it's like
To feel this kind of helplessness
You don't know what it's like to be weak
I hope you never know
I don't want you to be like me
I want you to be clean, clean
Gonna find a reason to hate me someday
Gonna find a reason to push me away
You are gonna find reasons
To blame me for your pain
I hope you never lose the magic
That is big inside of you
I hope you never do
The ridiculous things that I used to do
I hope you never know my disease
Never being good enough
I don't want you to be like me
Yeah, I want you to be clean
I want you to be clean
